FREE KIDDIE MATINEE AT SEQUOIA

Above is a scene from "Arizona Wildcat," starring Jane Withers, Leo Carrillo and William Henry, which will be the feature attraction at the Kiddie Matinee given free to the kiddies of Redwood City at the Fox Sequoia Theater tomorrow morning. Johnny Shaw will play the organ, and the rest of the program will be rounded out with cartoons and community singing. By special arrangement with Lillian Wiehr and Ruth Robelto a twenty minute Kiddie Revue of dancing and singing will be featured on the stage.

'Kick-off' Meet Of Chest Slated For October 2nd

The "kick-off" dinner for Redwood City's 1939 Community Chest drive will be held Monday, Oct. 2, at 7 p m. at Sequoia High School Cafeteria, Campaign Director F. Edmund O'Connell announced here after plans for the campaign were brought virtually to completion at a meeting of chest directors Tuesday afternoon.

All service clubs, lodges, veterans' organizations, women's clubs, chamber of commerce, junior chamber and other organizations are expected to attend the dinner, for which a charge of 75 cents will be made.

Perry A. Bygdnes, general chairman of the affair, is arranging a program which will include speakers and entertainment.

At that time, the 25 "colonels" and their "captains" who will conduct the financial drive will be given final instructions and supplied with their prospect cards.

Director O'Connell said names of the "colonels," who will have certain areas of the city and environs to canvass, will be announced within a few days. They in turn will select their "captains" to help them in the solicitation.

While the same six agencies which participated in the campaign last year will again share this year, exact amount of the budget has not been decided on yet by the directors, but is expected to be larger than last year due to desire of the Young Men's Christian Association committee of management to have a full-time secretary here and plans of the Boy Scout council to maintain at least one and possibly two field executives in the county. Other groups sharing in the chest are Girl Scouts, San Mateo Preventorium, Humane Society and Salvation Army.

It was reported at the chest meeting that about $400 of this year's pledges are still unpaid and unless the money is forthcoming soon, some of the agencies will have to suffer curtailment of their programs due to lack of finances.

This year's drive is set for Oct. 2-13.

ROMANCE HIGHLIGHTS FILM

A poignant romance between Carole Lombard and Cary Grant highlights the vital marital drama, "In Name Only," RKO Radio's triple-starred hit with Kay Francis in the third stellar lead. This picture, on a double bill with Akim Tamiroff's "The Magnificent Fraud," will play at the Fox Sequoia Theater this Sunday, Monday and Tuesday.

County Census About 110,000

Latest estimate of California's population by counties, made by State Controller Harry B. Riley, shows San Mateo County with an estimated 110,000 inhabitants as of the end of 1938. In 1930, the official census showed population here as 77,405.

The state as a whole gained an estimated 1,076,732 inhabitants—19 per cent more than the census count of 5,677,251. The estimates are based on reports of county auditors.

Los Angeles County gained 159,750 during the eight-year period to give it a population of 2,368,242.

Other county population figures include:

County	1930	1938
Contra Costa	78,608	90,000
Marin	41,648	50,000
Monterey	53,705	75,000
San Benito	11,311	13,000
San Francisco	634,394	737,000
Santa Clara	145,118	197,000
Santa Cruz	37,433	48,000

Development in recent years of five United States mineral industries, natural gas, helium, natural carbon dioxide, potash and sulphur is attributed largely to underground explorations for oil.

'MAN ABOUT TOWN' AT REDWOOD

Jack Benny, Dorothy Lamour, Edward Arnold and Rochester, Benny's man, Friday, all appear in this great show, "Man About Town," now playing at the Redwood Theater. "The Wall Street Cowboy" completes the program. A first run hit for Redwood City.

Railroad Worker Escapes Fire Death

A Southern Pacific Mexican track worker narrowly escaped with his life when a railroad house car in which he was sleeping at Spruce St. and Railroad Ave., Redwood City, was destroyed by fire early Sunday morning.

The laborer, whose name was not learned either by company officials in Redwood City or the Redwood City Fire Department, crawled from the blazing car as the heat aroused him from what Fire Chief Mark E. Ryan described as a "heavy drunk." He was not burned or injured.

Previously a Negro passerby had entered the burning car and tried to pull the Mexican out, but, according to Chief Ryan, the latter could not be coaxed out of bed.

Although the fire department pumped water for 20 minutes through 1100 feet of hose, the car was said to be a total loss. No value was placed on the property by the railroad company. Origin of the blaze could not be determined, Chief Ryan said.

Auto, Cash Prizes Go to R. C. Man

Winner of an automobile and $500 in cash in a San Francisco newspaper contest is Max Lichtenstein of 180 Hudson St., Redwood City, according to an announcement made in the Chronicle yesterday. Lichtenstein won the papare's "California Jack Pot" game by virtue of an essay written after surviving two tie-breaking contests. Lichtenstein is an accountant for the George Wagner Construction Co.

Three Main Street Buildings Are Sold

Noel R. Ramsey, wealthy Hongkong, China, importer and exporter, has purchased three store buildings in Redwood City from Bank of America, according to a deed filed with T. Clark Rice, county recorder. The buildings are at 847, 849 and 851 Main St. The price was reported to be $20,000. Philip Marlow of Redwood City was the broker.

Ramsey, who is in San Francisco en route from Europe to Hongkong, will hold the property as an investment.

Dairies Battle Over County's Milk Business

Peterson Tells Board He Will Not Obey Purchase Order

Two controversies involving the county purchasing department came to the fore at the meeting of the board of supervisors Tuesday with the following highlights:

1. County Executive Frederick Peterson, ex-officio purchasing agent, disclosed that two dairies fighting for the county milk contract both are delivering milk to relief clients, with the prospect of a lawsuit to determine which has valid claim to the contract.

2. Peterson has definitely refused to fill requisitions for foodstuffs at current price levels, as advised by the board of supervisors in the face of war conditions. Board Chairman H. H. Smith asked Dist. Atty. Gilbert D. Ferrell for a definition of authority between the department heads making requisitions, and the purchasing agent. It was hinted that in event of loss to the county, in the event of his refusal to buy in a rising market, Peterson's bondsmen may be called upon to make good the deficiency.

Chairman H. H. Smith brought the milk controversy to light when he asked the district attorney for a ruling.

"Several families in Daly City have reported to me that two dairies are delivering milk to them each day. Have they any power to stop one or the other of them?" he asked.

Peterson immediately explained the situation. He said Pacific Coast Dairy, San Mateo, which held the county milk contract until Sept. 1, was contesting the award of the new contract to Golden State Dairy Co. of San Francisco.

It developed that Pacific Coast Dairy Co. has retained Atty. Joseph J. Bullock, and is making deliveries on the basis that it is the lowest bidder and entitled to the contract. With formal award of contract in possession, Golden State delivers to the same clientele.

MENLO PARK NEWS

GRENNAN-McCARTHY RITES

Joseph L. McCarthy and Miss Constance Grennan of Los Altos will be united in marriage in the Catholic Church of Mountain View at noon on Saturday. After a brief honeymoon Mr. and Mrs. McCarthy will reside at East Palo Alto, where a cozy home has been prepared for them.

The bride, whose home is in Los Altos, is a graduate of the Dominican College of San Rafael. She is a talented girl and extremely pretty with a pleasing personality and a charm that makes her many friends.

Mr. McCarthy is the only son of Mr. and Mrs. McCarthy of Menlo Park. He is a graduate of Santa Clara College and a young man of sterling qualities. He is associated with his father in the grocery business. The young couple has many friends on the Peninsula who wish them a long and happy life.

E. S. Clute, brother of Miss Cora Clute, nurse superintendent of the Sequoia High School district, visited friends in Menlo Park Monday. Mr. Clute has just retired as a telegrapher of the San Francisco Fire Department after more than 30 years' employment.

In 1892 Clute was the Southern Pacific Co.'s agent here. He won distinction early that year as the first to notify the nation of the death of Sen. Leland Stanford. Clute had been at a party that night and on passing the station, he met a messenger who awaited him, notifying him of the death of Stanford. He immediately notified the press.

From 11 o'clock until 8 a. m. the next day Clute kept his instruments hot sending messages to all parts of the United States as they came from the old Stanford home. Clute was well paid for his efforts. He will never forget those strenuous hours. Mr. Clute succeeded J. J. Bullock of Redwood City as the agent here.

Mrs. M. Edmunds, formerly Mrs. A. Macondry, has purchased an acre of land in the Flood estate on which she will build a residence shortly. There are now nearly 20 homes in this choice locality and many more are to be erected within the next few months. It is to be one of the bon ton residential districts of the Peninsula.

Miss Meta Kugeler, who underwent an operation in Palo Alto last week, is expected home today, having entirely recovered.

John Casson, a prominent resident of Menlo Park, is at a San Mateo hospital suffering from an attack of pneumonia.

A prominent young couple of Menlo Park are to be married in San Francisco next month. They desire to keep the affair a secret. The announcement of the marriage will be a big surprise.

Mr. and Mrs. W. H. Weeden will celebrate their 47th wedding anniversary today at their home in Menlo Park.

In a quiet ceremony performed in Menlo Park Presbyterian Church this week by the Rev. E. J. Clark, Miss Vivian Love became the bride of E. Donald McKillop. The bride, daughter of Mrs. Frank Love and the late Frank Love, a former police chief of Menlo Park, wore a white tailored suit with white accessories. Her maid of honor, Miss Mary Stone of Redwood City, wore a navy blue tailored suit with white accessories. Both Mrs. McKillop and Miss Stone wore gardenias. James Richard Anderson acted as best man for Mr. McKillop, who is the son of Mrs. William Dobert of East Palo Alto. The young couple left immediately for a short honeymoon to be taken in a small cruiser owned by Mr. McKillop's uncle. They will make their home in Menlo Park. Both attended Sequoia High School.

100 Circulators Of Petitions Take Field in County

Actual circulation of petitions for a special election on the proposal to abolish the $6000-a-year office of county executive was reported underway today in various parts of the county. Persons close to the so-called "Associated Taxpayers and Voters of San Mateo County," the organization sponsoring the campaign for 4400 signatures, said 100 copies were distributed to circulators late Monday.

Doubt was expressed that the petition circulators would be able to meet the advance deadline set by Augustus, but Asst. Dist. Atty. Daniel E. Sullivan contended the petitions could be submitted as late as Sept. 26 to qualify for the ballot at the special election Nov. 7.

'The Desert Song' Returning to S. F.

There is coming to the Curran Theater in San Francisco next Monday night, for a limited run, a musical show of the Percival Wren people of Northern Africa with the color and atmosphere of the "Beau Geste" conutry, sheiks, dancing girls and men of the French Legion and Riff Hills, who are MEN!

It is "The Desert Song" and it will have the same great cast that appeared at the Curran some seasons ago, when it proved the outstanding operetta hit for all time. Perry Askam heads the cast and Elvira Tanzi will play opposite, as well as all the other favorites so well known to drama and music lovers. The company numbers over sixty.

Romberg's beautiful music needs little mention, he having scored so many hits such as "The Student Prince" and "Blossom Time," but critics acclaim as his best work "The Desert Song." Cecil Stewart, who is the producer, will be remembered as the leader of the augmented orchestra. He will again direct and has promised a new, elaborate production that will prove an innovation to San Francisco playgoers.

Performances are at 8:30 nightly and matinees Wednesday and Saturday at 2:30. Prices at night will be from 55c to $1.65 and the matinees $55c and $1.10.

Lodge Entries Win Plaudits

Although entries from Redwood City's Native Sons and Daughters lodges failed to capture any prizes in the San Francisco Admission Day parade Saturday, they created much interest and were warmly received along the line of march between the Civic Center and the Ferry Building, members of the lodge and spectators reported here.

A mishap occurring to Redwood Parlor 66's float threatened for a time to keep it out of the parade, but repairs were effected and the truck bearing a replica of an early California cottage took its place in the line of march. The mishap occurred at San Mateo when the truck was struck by another machine.

Although the house on the truck was twisted, it was repaired so that an observer would not have known it had been in an accident, Louis Lodi, NSGW committee chairman, reported.

The ancient red Ford carrying "honeymooners;" the sheriff's posse, and the NDGW drill team, resplendent in new uniforms, were all important features of the lengthy parade which took 3½ hours to pass, but they won no prizes.

Only Peninsula lodge to win an award was South San Francisco Parlor 157, which captured honors for having the largest marching unit. San Francisco entries captured the lion's share of prizes, with East Bay parlors also receiving a number when awards were presented late Saturday night by Lieutenant Governor Patterson at the ball which climaxed the Native Sons and Daughters Day at the exposition.

There are some species of fungus which exert a pressure growth of 300 pounds per square inch, and can push through weakened portions of asphalt walks.

A Japanese general is said to receive only $250 a month.

More Courses At Night School

As the enrollment reached 275 at the Redwood City Night School at the Sequoia plant last night, Principal S. S. Mayo announced the opening of three more new courses here—and an additional class in English and citizenship at Menlo Park.

Next Thursday in room 27 of the Sequoia High School, from 2:30 to 4:40 p.m., a practical course in home gardening will be started, with Albert Wilson as instructor.

"This course will offer a great deal of help to beginners, and even the professionals will learn some new tricks," Mayo predicted.

It will deal particularly with seasonal gardening problems. Lectures will be from 2:30 to 4, with attention given to questions and special problems from 4 to 4:30.

The demand for sewing classes has been so great, according to Mayo, that four classes a week will be held. Mrs. Hazel Hansen will be in charge of the classes, which will be held on Mondays, Tuesdays, Thursdays and Fridays in Room 15. Women are asked to attend either on Mondays and Wednesdays or on Tuesdays and Thursdays as the classes will be divided into two groups on that attendance basis.

Mayo also announced that a class in Spanish would get under way next Monday, Sept. 18, under the instructorship of Miss Alice Rose. Beginning Spanish students are asked to meet at 7 p.m. and old students at 7:45. A discussion on plans for the year will be made by each group.

The class in English and citizenship in the Menlo Park Central School will begin Sept. 19, from 7:30 to 9:30 p.m. on Tuesdays under the direction of Mrs. Rosalie Werthman.

HELD ON HUNTING CHARGE

SAN JOSE, Sept. 14—Edward J. Schneppele, 32, Brisbane, and his brother, Walter, 37, Oakland, both longshoremen, were held at the county jail yesterday for illegally killing a female deer. Special Game Warden Jerome De Lopez brought the slain doe from the Calaveras district as evidence.

Local Woman's Kin Succumbs at Yreka

Mrs. William B. Roe of 518 Middlefield Rd., Redwood City, left for Happy Camp today after receiving a telegram announcing the death of her brother, George Crumpton, in a Yreka hospital after a short illness. Mr. Crumpton, who was 70, was born and lived in Happy Camp all his life, and was regarded as the best known and best-liked man on the Klamath River, where he has large mining interests.

Deaths decreased 4105 in Texas in 1938, compared with 1937, the 1938 total being 64,426.

STAGG HONORED

SACRAMENTO, Sept. 14 (AP)—A. A. Stagg, dean of football coaches, was guest of honor yesterday at a luncheon here attended by hundreds of admirers. He was presented with an honorary life membership in two fraternal organizations. Glenn (Pop) Warner, arrived after the meeting was over but assured Stagg he would be on time when San Jose meets Pacific at Stockton Oct. 20.

Four Peninsulans Win Medical Licenses

Charles B. Pinkham, M.D., secretary-treasurer of the state board of medical examiners, announced today that 204 persons had passed examinations for physicians and surgeons, 17 for chiropodists, and 1 for drugless practitioners.

There were four from San Mateo County, all physicians and surgeons: William D. Clinite, Burlingame; Everett W. Gardner, Leonard D. Offield, and William J. Rudee, San Mateo.

THE EYES MUST HAVE IT

LIGHT CONDITIONING
FOR
Better Seeing

EYES ARE SLOW TO COMPLAIN about overwork or abuse, science tells us, slow to object to poor light. Thus by the time eyes do speak out, they have been strained, perhaps injured. That is why we say, "light conditioning for better seeing." For light conditioning means giving the eyes enough of the right kind of light for seeing comfort and safety.

Do you know why, for example, you sometimes squint or scowl when reading a newspaper? It is because your eyes are working hard to see. It takes three times as much light to read a newspaper with the same ease as you read a well-printed book.

Take these two steps for light conditioning in your home. Have a Light Meter checkup made of the lighting. There is no charge or obligation for this service. Then try the soft and glareless light from I. E. S. Better Sight Lamps. You'll find the cost surprisingly low, especially since electricity under the new reduced rates now costs less than ever.

Retired Man, 77, Is Victim

Injuries suffered Saturday afternoon when he was struck by an automobile at Woodside proved fatal on Sunday to Adolph Hintermann, 77-year-old retired distiller who made his home for 20 years at Woodside.

Mr. Hintermann, husband of Janette Hintermann, was struck by the automobile of Louis Verdugo, San Mateo County Road Department powder man who lives at the Rapley Ranch on Skyline Blvd. Mr. Hintermann suffered a broken left arm, head and internal injuries.

His death was the 52nd due to traffic accidents in San Mateo County this year. Last year at this time there had been 33.

Besides leaving his wife, Mr. Hintermann is survived by three sons, Charles A. of Oakland and Adolph E. and Otto G. Hintermann of San Francisco.

Although a native of Switzerland, Mr. Hintermann had lived in California for 52 years. He had been a distiller for 25 years prior to his retirement in 1919.

There were only 1612 deaths from influenza in Texas in 1938, compared with 3675 in 1937.

DR. ANDERSON WINS JOB WITH NEW DEAL UNIT

Dr. H. Dewey Anderson of North Palo Alto, former state relief administrator, announced Monday he would leave for Washington, D. C., to become economics expert for the temporary National Economic Committee.

This "monopoly investigation" committee was established by Congress with a $500,000 appropriation to study the effects of big business on economic recovery.

Its investigations, Dr. Anderson said, are regarded as the most fundamental yet made of the United States' economic structure. In his work Dr. Anderson said he would use the findings of an institute of occupational research he has been conducting with Prof. P. E. Davidson of Stanford. The object, he said, will be to learn the import of technology on employment, wage rates and labor costs.

Dr. Anderson said he will return to California for the political fight he anticipates next year.

His particular job with the monopoly investigation will be the study of revenue and fax systems of the federal government and their effect on employment, prices, production and purchasing power.

Pine Shattered By Bolt During Thunderstorm

P.A. Hospital Chimney Is Also Struck But No Damage Done

With a puff of blue smoke and a roar that was heard for half a mile, a lightning bolt struck a 70-foot pine tree on Partridge Ave. in Menlo Park at 7:50 a.m. Monday during a sudden electrical storm which brought .03 inch of rain to Redwood City and .07 inch to Palo Alto.

The lightning splintered the tree like matchwood, coursed down the trunk, tearing off huge sections of bark, and finally grounded itself.

Several persons in the vicinity were slightly injured.

The bolt also struck the copper-covered chimney atop the Palo Alto Hospital, causing a resounding crash which jarred artisans working on a nearby addition to the institution. No damage was done, since the electricity was immediately grounded, and inmates of the building were not aware it had been hit.

Stanford, San Jose Given CAA Permits

San Jose State College, which begins its fall term next Monday, Sept. 18, and Stanford University, which starts the following Monday, today had won official approval of applications to participate in the civilian pilot training program, according to an announcement made in Washington by the Civil Aeronautics Authority.

Robert H. Hinckley, CAA chairman, said applications of 166 colleges and universities in 41 states were approved and another list of institutions will be announced Sept. 13. The program, authorized by the last Congress, will provide training for about 11,000 new civilian pilots during the coming school year. All students will be given 72 hours of ground school instruction and between 35 and 50 hours of flight instructions.

Other California colleges winning approval of applications are California Institute of Technology, San Diego State College, Los Angeles City College, Sacramento Junior College, Fresno State College, Pomona Junior College, Pasadena Junior College, Fullerton Junior College, Santa Barbara State College.

Hobo Jungle 'Bully' Given Term in Jail

Dan Boston, bully of the hobo jungles, and Dan Tuttle, his companion, arrested Aug. 25 after 55-year-old Abner Glines told the sheriff's office and Atherton police he had been beaten and robbed, were sentenced to 16 more days in the county jail by Judge G. Elmer Jennings in Atherton last week. The robbery charges were dismissed when Glines failed to appear.

Judge Jennings sentenced both men on vagrancy counts, giving each credit for 14 days already served.

OPENS STUDIO

Miss Babe King, formerly of Seattle where she taught for Hamilton Douglas but more recently of Hollywood, where she appeared in Fox pictures with a "sister" dance team, will open a dance studio at the Redwood City Woman's Club Saturday, giving a free lesson on that day at 10 a. m. She then will give both private and class lessons in tap and ballet dancing Tuesdays, 12 to 5, and Saturdays, 10 to 2. Miss King now lives in San Francisco.

Kindergarten Has 41 Pupils

Forty-one children have been enrolled in the new McKinley kindergarten by their new teacher, Miss Elizabeth Dole. Of this number, Miss Dole said, 34 were from the overcrowded John Gill kindergarten, and one each from Washington and Lincoln.

The new kindergarten instructor is a McKinley and Sequoia High School graduate and lives with her parents at 716 Hopkins Ave., Redwood City. She received her teaching credential from San Jose State College last June.

In the six Redwood City elementary schools and the McKinley Intermediate School, the enrollment hit a new high with 2066 registered at the end of yesterday. Previous high in total enrollment was 2008 last April 26, according to Supt. Andrew Spinas.

Enrollment at Sequoia High continued to climb toward the 1700 mark for an all-time high record as Miss Ellen Adams, attendance secretary, reported 1683 students had registered for classes.

The record enrollment already has surpassed the number anticipated before school started. It exceeds by 14 the total Fall enrollment last year, which was 1665, and by 116 the number at this same time a year ago.

Miss Adams "conservatively" estimated at least 30 to 40 more would register at Sequoia by the start of the Spring semester.

Vehicle Underpass For Highway Studied

At request of Redwood City civic organizations sponsoring the proposal to construct a pedestrian underpass near the Broadway crossing of El Camino Real, the board of supervisors today had named Supervisor John W. Poole as its official representative on an investigating committee.

The board Tuesday instructed Poole to investigate the possibility of enlarging the project to a vehicular underpass. Chairman H. H. Smith pointed out there was probability that a pedestrian underpass would not be used except under compulsion. The view was sustained by Planning Adviser Ronald Campbell.

Two more organizations have indorsed the project, it was disclosed today. These are the Redwood City Exchange Club and Bay View Lodge 109, Independent Order of Odd Fellows.

Development of Island For Industry Advances

Opening of Bair Island to industrial development appeared to have been advanced an important step Tuesday when the deadline for protesting bridging of creeks to the island passed with no protests having been filed.

E. W. Reed, chief administrative assistant in the U. S. Engineer's office, War Department, San Francisco, said that to his knowledge, no protests had been filed at 11 a.m.—the deadline set by R. C. Hunter, major, corps of engineers, who is now out of the city.

With no protests filed, Reed said that the engineer's office would recommend to the War Department that permission be given for the building of timber pile trestles across Smith Slough and Corkscrew Slough to permit opening of a road to the big island, which is located on the opposite bank of Redwood Creek from the Port of Redwood City. Had any protests been received, a public hearing then likely would have been called where both proponents and opponents of the plan would have been given an opportunity to appear.

Reed said that undoubtedly the War Department would concur in the engineer's recommendation that permission be given to bridge the sloughs. This would permit construction of roads to the privately-owned island so that it could be used for industry. Reason War Department permission was needed to bridge the sloughs is that they have been considered as navigable and hence under control of the U. S. bureau. If bridged, they no longer can be used by ships.

The proposed trestle across Smith Slough will be located .2 mile west of its junction with Redwood Creek; that over Corkscrew Slough, .2 mile west of its junction with Redwood Creek. Both trestles would have bents 15 feet center to center and clearances of 3.6 feet at mean higher high water.

Approval of the county supervisors, Redwood City City Council, local chamber of commerce and other organizations had been given to the development, in order to make land available for industries reported seeking sites in the Bay Region.

R. C. Boy's Father Passes Away in S.F.

Caesar Abate of San Francisco, father of Caesar Abate Jr. of Redwood City, a Tribune carrier, passed away Tuesday in San Francisco. Mr. Abate, a widower, was the brother of Nimo, Joseph, Vincent and Frederick Abate. He belonged to the Masonic lodge in Richmond, the American Legion, Galileo Post 236, and to the Associated Master Barbers of America.

Auto Show Added to Features To Be Seen at County Fiesta

Rodeo, Other Features Set

A "scoop" in the automotive field was scored today by the San Mateo County Fiesta association and a committee of county automobile dealers with the announcement that an auto show displaying 1940 models would be held as part of the fiesta and rodeo at Bay Meadows, Sept. 21 to 24.

The announcement was made simultaneously by Chester M. Lipman, fiesta manager, and Harold H. Bromberg, chairman of the fiesta auto show committee.

ADVANCE TICKET SALE ENDS ON FRIDAY

Sale of three-for-$1 tickets for the San Mateo County Fiesta ends Friday night. After that date, they will be 50 cents each. They may be secured at chamber of commerce offices or at drug stores in Peninsula cities. The tickets are transferable.

Leading makes will be represented displaying three new models each.

"Early arrival of 1940 models from the factories makes this unusual preview possible," said Bromberg. "The public can now view at the fiesta next year's advanced designs long before they are pictured and advertised in newspapers and magazines throughout the country."

The show, which will continue from Thursday night, Sept. 21, through Sunday night, Sept. 24, will be housed in a huge tent at the north end of the Bay Meadows grandstand.

A program of entertainment is planned for each night and the committee has arranged an award of an auto radio nightly during the four-day event.

Addition of the auto show brings to a total of five the attractions to be seen at the San Mateo County Fiesta and Rodeo. The others are a $50,000 flower show, an acre area of agricultural exhibits, wild west rodeo, and an unusual sportsmen's show combined with a "live" wild life exhibit.

DON'T TELL ME, PRETTY MAIDEN

Practicing a bit of trick archery in preparation for the San Mateo County Fiesta and Rodeo at Bay Meadows, September 21 to 24, is Janice Crown who plans to split that San Mateo "apple" on Margaret Lee's head. A $50,000 floral display, wild west rodeo, sportsmen's show and wild life exhibit combine to make this year's Fiesta a top notch attraction.

Atherton Newswoman Is Taken by Death

ATHERTON, Sept. 13—Funeral services were to be conducted this afternoon for Miss Marion Pinkham of Atherton, who died Monday night at Palo Alto Hospital. She had been ill several years. Her father, Edwin G. Pinkham, is a former member of the Kansas City Star editorial staff.

She worked as a newspaperwoman on the Tulsa (Okla.) Tribune before coming to California seven years ago. She was 36, a native of Rhode Island, and a resident of Atherton for two years.

In addition to her father, Miss Pinkham leaves her mother, Mrs. Mary Pinkham and three sisters, Misses Betty and Ruth Pinkham of San Francisco and Mrs. C. Winston Young of Los Altos.

State inheritance, estate and gift taxes totaled $114,903,000 in 1937 in the 48 states.

HIGHER PEAKS

VANCOUVER (AP)—Conquest of Mount Tiedmann, 13,000 feet, and three other previously unscaled peaks of the Canadian Rocky Mountains is reported by a party headed by Capt. Rex Gibson, noted alpinist of Winterburn, Alta.

$500 Reward Is Sent Officers for Arrests

SOUTH SAN FRANCISCO, Sept. 14—A check for $500 to be split between San Francisco Policemen W. J. Keays and James H. Kerr was to be forwarded the officers today by Swift & Co. following conviction of three men of beating a salesman for the strikebound meat firm and the holding of the fourth to superior court on a charge of carrying a concealed weapon. Two of the men were given suspended terms and fined $25, one $50, in San Francisco court for their part in a fight in which Howard L. Chapman, salesman, was injured. The $500 represented the reward offered by Swift & Co. for information leading to arrest and conviction of anyone molesting the firm's employes or their families.

GEM-INY CRICKETS!

HOVE, England (AP) — Edmund Distin Maddick, former naval surgeon and air force major, in accordance with his will was buried wearing a pin presented him by King George V. Other jewelry was buried with him in a box.

Roommate Complaint Jails R. C. Gardener

Charles Heinemann, 53, a gardener living in a rooming house at 625 Walnut St., Redwood City, today was in the county jail facing a charge of battery brought by Jack Francis, a fellow-roomer.

Francis, according to a report by Redwood City police, charged that Heinemann entered his room Monday evening and "beat me up" for no apparent reason. Heinemann turned himself over to police last night when he learned of the warrant for his arrest.

Bail, set at $250, was unfurnished.
